

Microsoft Reporting Services

Optimize your daily data flow and take control of your resources with a reporting add-on for epitome for Windows or epitome .NET. Turn information into knowledge and realize greater efficiency with a custom-made report from TierOne Hospitality Solutions. We can help reduce workload and address any informational needs your hotel may have. Custom reports are easy to use and can be designed to your exact specifications to target the precise information you want.

Increase Operational Efficiency

Our custom reports are generated in real-time and can restrict access to certain users using a secure, managed environment. Reports are accessed through any web browser and can be exported into PDF, Excel, XML, CSV, TIFF and MHTML formats. You can schedule deliveries of reports so that they are copied into a folder on your network or emailed directly into your inbox. Reports can also be accessed securely over the internet from anywhere.
