TierOne Hospitality Solutions, Inc. partners with Chase Business Systems Ltd. to bring Premier Spa+, the internationally renowned Spa Management Software, to the USA and Canada.

Richmond Hill, ON, Canada (August 8, 2006)...TierOne Hospitality Solutions, Inc. a leader in next-generation technology is recognized as a key provider of total enterprise solutions for the hospitality market in Canada and the USA, covering a broad range of the market from small independent hotels and resorts to the major players in the industry.

Chase Business Systems, Ltd. already industry leaders throughout Europe in Spa and Salon management, have just signed a momentous deal which will see their world class Premier Spa+ solution sold into the extensive North American hospitality market by TierOne Hospitality Solutions.

Sasun Musliyan, President of TierOne Hospitality Solutions said, "We are very excited to partner with Chase Business Systems, Ltd. to bring Premier Spa+, a world class treatment scheduling and management system that is used by the most successful day and destination spas around the world, into North America. Premier Spa+ will become an important addition to our comprehensive product offerings and the synergies that both of our companies possesses will bring great value and flexibility to our prospective clients."

TierOne Hospitality Solutions, Inc. partners with Chase Business Systems Ltd. to bring Premier Spa+, the internationally renowned Spa Management Software, to the USA and Canada.

Robert Miles, Managing Director of Chase Business Systems, Ltd. further commented, "This new deal with TierOne Hospitality Solutions continues our progression into the global market as the leading providers of spa management software. We are delighted to be partnering with the leader in the North American hospitality market; TierOne Hospitality Solutions have the presence and capability to successfully target spas and resorts to ensure that Premier Spa+ becomes the number one solution for North America."

Patrick Regina, Director of Business Development stated "Before entering into this niche sector of the hospitality industry and introducing a new spa management software to the North American Market, we at TierOne Hospitality Solutions were careful in doing our research and found that Premier Spa+ brings to market sophisticated features, functionalities and information that not only improves spa operations but also minimizes training time, which ultimately will serve to increase overall efficiency and profitability." Premier Spa+ is internationally recognized as the principle management and booking solution for the spa market, with worldwide renowned clients including Harrods' Urban Retreat, Starwood Hotels & Resorts, Champneys Health Resorts and Six Senses Resorts and Spas.
